

★ CHAMPIONS WANTED ★

We at Champions Concessions believe that everyone deserves a chance to be a champion. We are currently working with Life Charter, a title one school in Cedar Hill, to provide snow cones for every child during field day. It is our desire to see that every student has a token to use to pay for their snow cone or cotton candy on the day of our event. To reach that goal, we have created the Life Charter School Token Program.

To earn tokens, students must meet the goals that are set by the school. All tokens will be delivered weekly to Life Charter School and added to the jar sitting in the front lobby. That way students can see the numbers grow and see how their community has reached out to support them.

Now its your turn. Champions come in all shapes and sizes. Parents, friends and family of students of Life Charter School in Cedar Hill can now purchase tokens to help the students.

- ★ \$2.50 to sponsor a student
- ★ \$10 to sponsor four students

- ★ \$25 sponsors eight students
- ★ \$50 sponsors a whole classroom

Become a champion. Purchase a token to sponsor a student at
championscoin.square.site

Champions Concessions is a pay it forward company and a portion of each sale goes to fund local charities that serve our community. A portion of the sales for this event will also go back to your school! Champions Concessions will be matching donations for the first 50 tokens purchased. Thank you for your support!
